

Sleeper Sofa + Air Mattress Extension

Daytime:
Sleeper sofa functions normally (3-seater, facing TV/cockpit).
Two recliners sit opposite or angled.

Nighttime:
Sofa pulls out into a queen/king sleeper base.
An air mattress (king size) is placed on top.

cabinet/pull-out shelf
under the peninsula for
two portable induction hot plates

Rear bedroom designed with a fold-up King bed. In daytime mode, the folded bed frees up clear floor space that can be used as a private lounge, office/workstation, dressing/wardrobe area, or exercise/yoga zone. At nighttime, the bed converts into a full King sleeping space, ensuring multifunctional use of the room.
